Education

Northeastern University
Boston, MA | 2015-2020
BS Biology, minor in Interaction Design

Experience

UX Rescue | UX Designer
Remote | Sept 2020 - Present
Collaborating with a team of designers and researchers on a site redesign project to increase donations and volunteer interest for an NGO focused around youth education in Burma.

ScribeAmerica | Medical Scribe

Boston, MA | July 2018 - Dec 2019
Assisted physicians with documentation during patient visits to reduce their clerical workload. Quickly and concisely summarized findings into patient charts using Epic EHR.

Brigham & Women's Hospital | Research Assistant Co-op

Boston, MA | July 2017 - Dec 2018
Organized and analyzed data using Excel to create data visualizations for presentations. Instructed study participants and monitored clinical tests.
